

Respected,
Greetings from Montenegro, the city of Bar!

On behalf of our rector full professor dr. Stevo Nikić I would like to address you with an offer of cooperation in the framework of Erasmus+ project activities.

We represent the International Relations Office at the University Adriatic Bar, and would like to address the possibility of establishing cooperation between our universities. We express the initiative to establish mutual cooperation through the **Erasmus+ mobility program**, all with the aim of joint activities that would mutually raise the quality of student education. Given that Montenegro is not a program country, the application would refer to **KA171 - Erasmus+ Program - Learning mobility for higher education students and staff between EU Member States and third countries associated to the Programme**. Hereby, we express the initiative to establish mutual cooperation between the institution of higher education from your country and our institution of higher education through the Erasmus+ program, all with the aim of joint activities that would mutually raise the quality of student education. Please inform higher education institutions from your country about our initiative.

We are the fourth biggest private University in Montenegro and we have a full-time enrolment of about 2800 students. Our private University is pleased with your opportunity to establish a cooperation and work in developing our mutual relationship.

University Adriatic Bar was established as a private higher education institution by the Decision of the Ministry of Education of Montenegro UP I No. 060-11 / 2017 since March 6th 2017, issued a license for the work of the University "Adriatic" with headquarters in Bar. As the youngest university in Montenegro, which is decentralized by its organizational structure, "Adriatic" University Bar has recognized the importance of internationalization as a tool to enhance the overall quality and mobility of both students and professors. Our University based in Bar has seven independent faculties from city of Ulcinj to city of Herceg Novi: Maritime and Tourism Faculty Bar, Faculty for Business Economics Bar, Faculty for Business and Tourism Budva, Faculty for Mediterranean Business Studies Tivat (Department of Ulcinj, Department of Niksic), Faculty for Management Herceg Novi, Faculty for transport, logistics and communications Budva and Faculty for international management in tourism and hospitality Miločer.

We have successful experience of cooperating with a number of higher educational institutions from Europe (Croatia, Serbia, Greece, Slovakia, Slovenia) under Erasmus+ programmes. From our side we can provide you with any assistance and information necessary for successful cooperation.

More information about our University: <http://www.univerzitetadriatik.com/>

Looking forward to hearing from you!

Best regards,
Nikola Abramovic
